# Welcome

Welcome to the Century of Achievement sale. I am proud to be part of the McGriskin family and 100 years of Holstein breeding and membership. There has been plenty of dedication, perseverance, commitment, and passion for the Holstein cow passed down throughout each generation. In light of this accomplishment, I have decided to make 40 head available from the heart of the herd, I hope you can enjoy as much success with them as I have. There are a great group of consignments from family and friends, you will find animals from some of the breeds best cow families and see a lot of history throughout. Thanks to all the help, from sale managers, sale contacts, fitting crew and general help, this wouldn't happen without each of you. My kids Dakota, Sierra & Dominic who are all off following their own dreams and passions, thank you for being great help and support over the years as well. Good luck with any and all purchases, we truly hope each and every one of them will excel in your herds.

*Thank you*

# History of Kawartha Holsteins

And the McGriskin/McMorrow Families

1923 - William McGriskin Sr and William (Bill) McGriskin Jr become members of Holstein Canada. Bill and wife Lena (Canning) had 12 children who were all active in the farm, with many carrying on the Holstein tradition. These 12 children and their descendants have achieved 9 Master Breeder Shields.

1954 – 1969 Bill’s daughter Mary and husband Jim McMorrow start Kawartha Holsteins under the membership name of James G. McMorrow, Lindsay Ont.

Their family grew to include 7 children, many having their own prefixes and herds.  
John (Kawartha), Bill (Graywooded), Bernard (Oakhall), Kevin (Kawartha), Ed (Kawartha & Lalo), Dan (Emilane, Master Breeder 2008), Anne Marie (Kawartha)

1969 – 1982 Kawartha’s membership name is changed to J. G. McMorrow and Sons, Lindsay Ont.  
1973 Kawartha relocated to Oakwood Ont.

1982 - Kawartha’s membership was once again changed to Kawartha Holsteins, to include all children.  
1989 Kawartha has a complete dispersal on Jan 5th

1989-1996 - The Kawartha prefix is used primarily by Kevin and Janet and their 6 children (Julia, Dave, Steve, Bernie, Emilie and Ferg), Ed and Anne Marie for 4H calves and the occasional cow.

1991 Kawartha is awarded a Master Breeder Shield

1996 - Kawartha relocates to Saskatchewan and prefix is used by Dave McMorrow and family

2011- Kawartha moves back to Lindsay Ont, with their herd and milk 50-60 cows

2012 - Kawartha Holsteins is awarded a 2nd Master Breeder Shield

2023 - Decendents of William McGriskin Jr are awarded the Century of Holsteins Award

KAWARTHA HOLSTEINS PROUD TO BE PART OF THEIR SUCCESS!

# Misty Dixie History

By Doug Blair - 2010

## KAWARTHA MISTY DIXIE

I have traced her direct maternal line back to **INKA** who was imported from Friesland. She was one of the few significant foundation cows and written about on page 268 of **HOLSTEIN-FRIESIAN HISTORY 1960**.

The family first came into McGriskin ownership in 1922 (88years ago) with the purchase of **RANDY KORNDYKE WALKER** whos daughter **KORNDYKE ALCARTRA BURKE** was born at McGriskins.

The first cow in the family to come to Canada from the US was **MEADOWBROOK QUEEN KORNDYKE**. She is unique in that her sire **PONTIAC KORNDYKE** was also her Maternal Grandsire and Maternal Great Grandsire. I have never seen such an inbred animal. She is written about on page 250 of the **CHOSEN BREED** and was in the pedigree of the McGriskin bred cows that were some of the very best at Romandale.

All the best - Doug Blair
