WALKERDAIRYSALES.COM

Welcome!

Tony with Jacobs Showtime *RC
The first bull from the Valiant program to go to stud!

Where to start! It truly has been a whirlwind the last few years. Ups, downs, highs, lows. One thing that the industry has taught me is the level of support and passion within is tremendous. The people you meet is second to none worldwide, with one common love; the Holstein cow.

I can't thank everyone enough for supporting us over the years, challenging my thinking, and helping me grow the genetic portfolio we have to offer today; Mentors, Family, Friends, and Partners.

As we get ready to show you the best we have to offer under the fairly new "Valiant" prefix, I hope everyone can respect the variety we've put together over the years. Marketing great cattle on all fronts has been a childhood dream that is coming true. We strive to be at the top end of Polled, Red, Genomics, Genomic type, crossover genetics and Elite pedigreed cattle. With 10

bulls in AI and Embryos sold to over 10 countries to date, we hope everyone sees value in what these genetics can generate in multi generational revenue. Variety, Variety, Variety! We hope this group of live cattle and embryos is just that; something for everyone. Wherever your compass points, we hope to suit your needs.
